The perversion of the Church GOC Greece

and the distortion of the Patristic Tradition
– in accord with the prophecies of St. Cosmas the Aetolian

The perversion of the Church GOC Greece and the distortion of the Patristic Tradition – comes from the young bishops who were ordained hastily in 1999 and who import:

- A NEW spirit into the Church – which resists the Holy Spirit, the Spirit of the Holy Fathers of the Church
- bring in a spirit of inNOVation
- bring in a spirit of vulgarity - which comes out straight from hell and perverts everything we have received from the Holy Fathers
- bring in a spirit that leads to a NEW world order - through the apostasy, which St. Apostle Paul spoke of (2Thes.2:2-3)

In the last century it was not this way. But as soon as they appeared, in the last year of the last century (and this is not accidental as well), the said young in mind and spirit bishops – even in the first year of the NEW century and NEW millennium - immediately started the innovation and vulgarity - prompted by the unclean spirit of innovation, which resists the Holy Spirit!

In full accord with the prophecies of St. Cosmas the Aetolian - very few are the Priests and Bishops who saw this event. And even fewer are those who resisted the unclean spirit of apostasy, led by zeal for Orthodoxy and Orthopraxy (right morals).

There is nothing more hateful to God, there's nothing that causes God's wrath so much

- as indifference –

that is why God says: I know your works - you are neither cold nor hot: I would you were cold or hot! But since you are lukewarm, and neither cold nor hot, I will spue you out of my mouth! (Rev.3:15-16)

This indifference idleness inaction of priests and bishops opened the doors of hell = allowed evil spirits to enter among the congregation and begin to decompose all = to kill souls en masse. Thus apostasy reached the depth of obvious disgrace, abhorred not only by Christians, but even by the people of this world. The Wrath of God - fearful and untasted yet - is on the doorstep! (Heb.10:31) The fate of Sodom has come to the doorstep! (Gen.18:20-33)

Disgrace of the Synod of Kallinikos.

Thus driven by apostate bishops, the Synod of K acquired an OBSESSION to collect the most disgusting and perverted, which can be collected from the world - WITHOUT even exploring! WITHOUT even asking the spiritual victims! They do not care = it's an OBSESSION with abomination!

This publication contains the conversation between father John and father Martin as IRREFUTABLE EVIDENCE on the subject. However, this publication would not have been placed on this site, as we have to stay away from such taints. Therefore, it would have been passed on confidentially to Archbp Kallinikos, if father Martin had been able to contact him to deliver this testimony **BEFORE the Synod so HASTILY took this DISGRACEFUL decision!**

Yet for about 2 weeks f.Martin kept constantly phoning to pass this important information to him - but in vain!

There imposes itself the impression that the contact was avoided deliberately - that there was a HURRY to take shameful decisions – WITHOUT INVESTIGATION – so that then they can be "justifiedly" presented as an "accomplished fact from which there is no return" - however SHAMEFUL that fact is.

Is it AT ALL possible to believe that supposedly the Holy Spirit has been leading this

Synod when making these Synodal decisions of theirs for the last few months?
ABSURD! This is blasphemy against the Holy Spirit even to think such a thing!

This requires our Orthodox consciences to publish the evidence to protect human souls from the danger:

- Young men (and all Christians) - avoid the churches where serve those perverts, who are dressed in a cassock, but have nothing to do with the priesthood! Keep your children far from them! Avoid for all your worth this **REAL DANGER to your souls, which was accepted in the Synod of Kallinikos with satanic joy and jubilation!**

Disgrace of the Synod of Kallinikos
and also: The Synod of K acquired an **OBSESSION** to collect the most disgusting and perverted, which can be collected from the world - **WITHOUT** even exploring! **WITHOUT** even asking the spiritual victims! They do not care = it's an **OBSESSION with abomination!** (Matthew.24:15)
That way this Synod began to show people the most perverted icon of the Church
Under the new satanic "morality" and perversion and disgrace **ESTABLISHED** in this Synod the notions of morality are **PERVERTED-TURNED** right to the opposite of Christian notions of morality:
- St. Apostle Paul says: "Do not participate in the works of darkness and expose them!" (Ef.5:11).
- And according to the **NEW** and perverse "morality" in the synod of Kallinikos there have been **ESTABLISHED** exactly the opposite "values":
a) **DISGRACEFUL** in this Synod is considered **NOT THE DOING** of the shameful things (like sodomy, heresy, apostasy from Orthodoxy etc)
b) but **DISGRACEFUL** and condemned in this synod is already considered when someone SPEAKS that this shame **EXISTS** in the synod and when someone obeys the Apostle and **EXPOSES** this disgrace!
Because of that, the "bishops" of this synod persecute all Priests and laity who obey the command of St.Apostle Paul to expose the works of darkness. And moral is considered – **BEING SILENT** about the disgrace done in the Synod and through this silence helping this disgrace to become even more **ESTABLISHED**. That is why the "bishops" of this synod commend and reward all the Priests and laity who **KEEP SILENT** about the disgrace done in the Synod and **JUSTIFY** this disgrace and **ESTABLISH** it even more!

It is very difficult with such deeds of theirs to believe that they are successors of the Apostles! Because if they were actually and in deed successors of the Apostles - they would do the deeds of the Apostles, as the Lord says (John.8:39). And so, by their deeds they are **rather** successors of Herod (Mat.14:1-10).

Why? Because Herod **beheaded** the greatest of the Prophets - out of "gratitude":

- because the Prophet was **saving him**

- because the Preacher of **REPENTANCE** **exposed Herod for his iniquities**, and was thus trying **to bring him to repentance and save him** from the terrible wrath of God that was hanging **over his head**.

That is why the Lord says in the Revelation about the whore of Babylon, who

constantly talks about love – that hers is not love, but continual whoredom, because she is drunken with the blood of the saints of the Lord (Rev.17:6) whom **she:**

- **in deed kills off** for faith,
- while **in word talks about love!**

- **Young men (and all Christians) - avoid the churches where serve those perverts, who are dressed in a cassock, but have nothing to do with the priesthood! Keep your children far from them!**
